Four Updates

Last weekend our parish had the opportunity to thank Teri Thinnes for her years of service here at Our Lady of Victory as the Adult Choir Music Director. We wish her all of the best in her future endeavors. If you get the opportunity, please make sure that you thank Teri for all of her years of service. We will be looking for someone to build on the great work that she provided to the parish, and we will be laying out a process to get someone hired for this position in the next couple of weeks. Please stay tuned to the bulletin and website for more information.

The parish was able to purchase the brick house located at 4005 N. Division. This decision was made by the Finance Council several months ago, and this purchase was finalized on May 31st. Since the purchase of this property, many volunteers were able to help out last Saturday, June 3, to begin the process of cleaning out this home. Thank you to the seventeen people who helped with this initial work period on Saturday. There will be many more opportunities for people to volunteer in the future as this newest parish property needs a lot of work, so thank you in advance for your help and assistance!

The installation of the new boiler in the school has now begun. The old school boiler was shut-down ten days ago, and the work on installing the new boiler will be taking place over the coming weeks. Thank you to the parish for making this upgrade possible. We are definitely excited to see lower costs of heating the school because of the increased efficiency of the new boiler.

Next week we will be holding the rummage sale here at Our Lady of Victory. This event will be last boost to finish off our Annual Diocesan Appeal/Save our Windows (ADA/SOW) campaign. Thank you to the Ladies’ Council and everyone who is working to make this fundraiser successful. If this rummage sale is successful, it is anticipated that the parish will reach the ADA/SOW goal of $219,000 by the end of June. The parish will have an event to celebrate the meeting of our goal when it happens.

The summer definitely has gotten off to a busy start, so again, thank you to everyone for doing so many wonderful things to help and support our parish!

Our Lady of Victory, pray for us!

**Catholic Worker Mission**

Do you like that feeling of accomplishment that comes from a job well done? Do you enjoy painting, or the smell of fresh cut wood, or sharing your skills with others? Are you a handy person interested in changing the world for the better?

Do you like to cook? Do you enjoy hosting parties or making dishes for those who need a little help? Would you like to make a difference for those in need?

Do you like to pray for others? Do you find your prayers for others to be effective? Are you looking for a great way to make a difference through prayer?

Our Lady of Victory parish is partnering with the Davenport Catholic Worker Houses for a summer parish mission opportunity. We want to bring our parish together serving the poor through the many gifts we have - like prayer, hospitality, and our skills with hammer, wrench, and brush! Please contact Evan Brankin to find out how to use your gifts for God this summer, July 21st through 23rd!
June is Men’s Health Month. We hope that all men of our parish will take time to go for an annual check up, eat healthy and exercise. Kids spell love T-I-M-E. A clever phrase that clearly indicates how important is the time a father spends with his children and how positively his children view that time, almost equating it with love! Time spent having fun together, showing an interest in the child’s interests, and just being there for the child is important. Time spent with children therefore can be seen as a social determinant of health for both the father and the child. Research has shown that the role of the father is an important factor in the overall development of children. There is a protective aspect to having an open and easy communication between father and child that helps to maintain emotional wellbeing and can decrease aggression and violence among boys. The positives that fathers can gain by spending time with their children are that they learn about their child, hear hopes and fears, and increase their sensitivity and awareness of the child’s needs for attention, guidance and discipline. Get involved and stay involved in your children’s lives.

Wellness Scholarship Winner

The Wellness Committee and Health Ministry Team is happy to announce the winner of this year’s Wellness Scholarship. The $500 scholarship has been awarded to Lauren “Mickey” Sloat. She is an energetic, passionate young lady who will be studying biology/pre-med and then plans to go to medical school. Congratulations Lauren and to all the applicants for their many accomplishments. Our parish community is blessed with some very talented, dedicated, faith filled young adults and we wish them all well as they pursue their goals.

Stewardship Moment

Stewardship is a response to the goodness of God. We give our time and resources out of gratitude to a generous God, not out of guilt or fear that God will be vengeful.
