Celebrating Campaign Success

September 2018

On behalf of the Our Lady of Victory Foundation Board, I want to thank you once again for your generous support of the foundation! This last year has been a historic year in many regards, and I am honored to share some of the blessings that the OLV Foundation has received during the last year.

As the newsletter will show, the Legacy Campaign has been incredibly successful because of your generous support, so the success of this fundraising campaign is moving the OLV Foundation closer and closer to its \$1,000,000 goal. We also had a recorded number of individuals telling us that they have included the OLV Foundation in their wills, and these bequests will bless the parish and school in the future through these individual's final act of earthly generosity. Finally, the OLV Foundation has a

record number of donors supporting the OLV Foundation through monthly contributions. These additional monthly donors, along with the success of the Legacy Campaign and the record number of bequests, are sources of blessings that have truly make this last year historic in the total amount of money in the Foundation.

This last year has also been historic because our parish lost two of its former Pastors. The loss of both Fr. Meyer and Msgr. Parizek within a two month period was difficult, but they left behind a legacy of faith, hope, and love that our parish hopes to build upon, especially with the support of the OLV Foundation. Therefore, please join me in continuing to thank God for the generous support that each of them gave to Our Lady of Victory through their priesthood.

The previous Pastors of OLV set the bar very high. As the current Pastor, I know that I have an incredible high standard of pastoral care and concern that I will try to emulate during my tenure here in this community. It is also my intention to join the previous Pastors in their financial support of the OLV Foundation. I recently updated my will, and I have listed the OLV Foundation as one of the beneficiaries of my estate. Fr. Meyer and Msgr. Parizek both knew that this bequest to the OLV Foundation would be their final act of support, and I too want to model this reality in my own life.

If you have any questions or concerns about anything in regards to the OLV Foundation, please do not hesitate to contact any of us who serve on the Board. We want to make sure that any of your questions or concerns are addressed as the Foundation continues to grow its support for our special parish.

Our Lady of Victory, pray for us!

"I have been part of OLV Family 44 years. I realize how important OLV has been to me and my family during that time. My support of the OLV Foundation is my way of thanking OLV for being our spiritual rock. And the Foundation provides me an avenue to pass on some of the blessings given to me."

- Margie Ridder

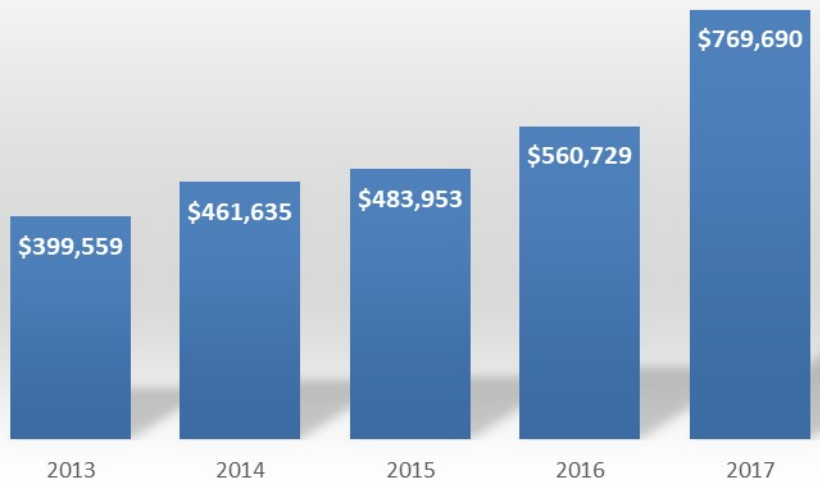

The 2018 distribution check was another new record of \$36,000. Presenting the check to Father Jake are board members Paul Scheibelhut, Sally Crino, and Kathy Peterson. The portion representing unspecified earnings will go toward campus security and air conditioning.

Endowment Value

DISBURSEMENTS

What is an Endowment?

An endowment is like a savings account. When a donor makes an endowment gift to the Foundation, the Foundation agrees not to spend the principal value of their gift and instead holds it in perpetuity. The gift is invested and only the earnings from the fund can be spent by the Foundation.

“Our Lady of Victory is a vibrant, thriving parish community that has been able to grow and develop thanks to the charter members who, in the sixties, pledged their support to a new parish. Throughout the years more people have stepped up to enable the parish to maintain and improve the facilities, as well as enhance and support the many programs offered at the school and to the parishioners. The OLV Foundation builds on the legacy of those who had faith and believed in the importance of having this parish. We are proud to support the Foundation to ensure that future generations will be able to reap the benefits of belonging to Our Lady of Victory parish.”

-John and Julie Gill

Momentum Continues for the Legacy Campaign

We are deeply grateful for the 63 parishioners who have joined the legacy campaign by making an outright gift or pledging a specific amount over a period of time by completing a letter of intent. Total funds raised through June 3 represent more than \$254,315 in pledges, with over \$105,000 received. In addition, several parishioners have notified the foundation that we are included in their estate plans, and the value of these future expectancies is more than \$130,000. We are at 91% of our \$1,000,000 goal; fundraising will continue until we achieve it. Please contact any foundation member for more information on how you can join other parishioners who are part of this legacy campaign. Thank you to everyone who has made a philanthropic investment in our parish and school.

Thank You to Our 300 Club Members

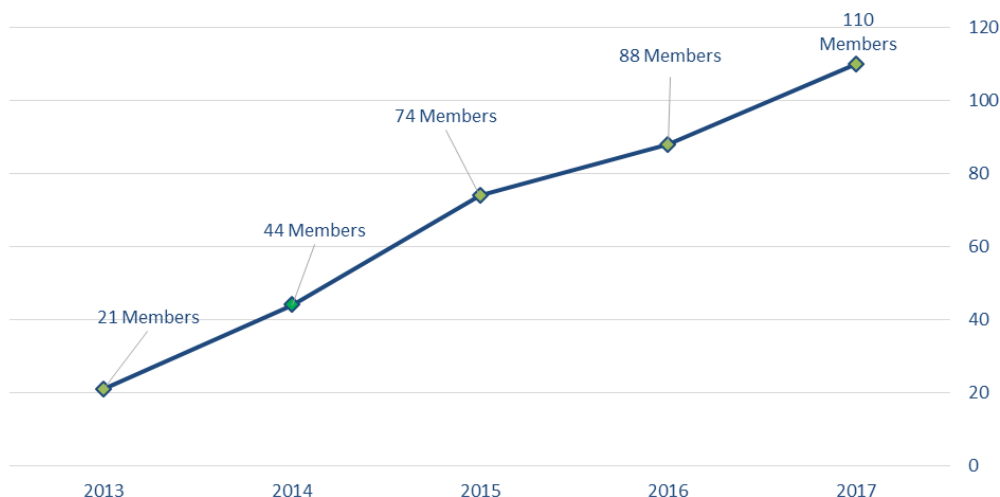

With 110 members strong, including some original members that have renewed as part of the Legacy Campaign, the 300 Club is making an impact by igniting the parish with an attainable gift level for many. We will continue to search for new members as we pursue our original goal of 300 members in our 300 Club. Tell a friend how easy it is to commit to \$25 a month or \$300 a year through the envelopes or via online giving.

"We have been members of OLV since 1985. We became involved in various aspects of church and school and early on realized that it takes a dedicated Christian community, through stewardship, to allow a parish to thrive and grow. We have joined the 300 club because we have seen the benefit of the support the Foundation gives to the Church and John F. Kennedy School and welcomed the opportunity to give back. This support was inspired by all of our wonderful pastors of OLV since we became members 33 years ago."

-Jim and Sandy Hagerman

We make every effort to be accurate in reporting donor gifts received by the Foundation from January 2017 through December 2017. If we have inadvertently omitted your name, we apologize, and ask that you contact a foundation board member to update our records.

Kathie's Legacy to Her Faith and Our Parish

"First and foremost a special thank you to all who recognized (honored) Kathie Gunnare with a memorial contribution to the Our Lady of Victory Foundation. Our Lady of Victory has been such a large part of our family's lives over the past 30 years that when we thought of where to have the memorials go it was very easy to recommend the Our Lady of Victory Foundation. We felt it was a great way to keep alive Kathie's legacy. We often hear the word legacy, meaning to inherit or receive something through a will or gift, but as humans our time on this earth is relatively short. We can only hope that in trying to live like our Lord and Savior that we can leave a legacy for future generations. Our Lady of Victory on the other hand will be here for many years to come remaining strong and firm to help and benefit all of the current and future parishioners. That's why the foundation, with its long-term vision for growth, sustainability, and support for the school and parish was the perfect opportunity to help Kathie's legacy grow and prosper due to the generous gifts of friends, family members, parishioners, and clients giving to the foundation in her memory. Her legacy will live on because so many people cared and gave to the foundation so that others may experience the beauty and fulfillment of our faith like she did. The outpouring of support and generosity was truly overwhelming to our family."
