

## Faith Formation Resources to use at Home

Loyola Press is the publisher for our religion books. We currently use Finding God the 2013 edition. Please visit <https://www.loyolapress.com/faith-formation/finding-god/finding-god-2013> and choose the Family Resources tab. You will then be able to scroll down to your child's appropriate grade level. Upon selecting their grade level you and they will have access to games and many other resources for the various units and sessions.

Another great resource for online Faith Formation is Formed.org. The parish has a membership, so all you need to do is create an account and use the access code of 6RG4DH! For those preparing to receive the sacrament of Confirmation I would recommend listening to ***We Must Go Out*** by Fr. Michael Schmitz as a family. Also for Confirmation students I would encourage viewing YDisciple—Confirmation. There are five videos for the YDisciple each is anywhere from 15-21 minutes long. For students preparing to receive the sacrament of Eucharist I would recommend watching the following Brother Francis videos ***The Bread of Life: Celebrating the Eucharist!*** And ***The Mass: A Life-Giving Prayer***. Also on Formed under the Kids category: The Jesus Stories for kids kindergarten through 3<sup>rd</sup> grade are short videos about some of the parables. These are just a few suggestions on Formed. I would encourage you to spend some time looking to see what else is available on the site. There are many family friendly movies available as well on the site.

For parents and students I would also recommend the resources from Ascensionpress.com. There are videos, articles, and podcasts available under the Ascension Presents tab at the top of the home page.
