Creating Tomorrow's Parish Today

Faithfully Growing Together

July 2021

A sincere thank you and invitation from Father Jake Greiner

On behalf of the members of the Our Lady of Victory Foundation Board, I want to thank everyone for your generous support over the last twelve months. This annual report describes how your support has advanced the mission of the Foundation in significant ways despite the challenges of the pandemic. These advances came while our parish and community responded to other pressing needs in our community. River Bend Food Bank, Pregnancy Resources, Women's Choice Center, Café on Vine, McAnthony's Window, Churches United, and individual parishioners who were suffering as a result of the pandemic all received financial and material support through the last twelve months at levels that I have never seen before. With all of this additional support being offered to others, donations to Foundation did not slow but accelerated. The members of the Our Lady of Victory Foundation Board are truly humbled by your generosity and amazing discipleship. We have never been prouder of our parish and our community.

The experience of the pandemic has also taught all of us that we need to be able to react to changes that happen in our lives. When parish leadership was analyzing what would happen with our budget at the start of the pandemic in March 2020, it was scary. We made some tough decisions and then made the necessary changes to adapt to challenges of the pandemic. However, I also knew during that time that our parish had the financial and spiritual support of the OLV Foundation. This reality helped me and members of the parish leadership team to find more peace in the midst of those challenging days. Thank you!

That was the past. Right now, our parish is focusing on opportunities, not challenges. The OLV Foundation's financial and spiritual support has allowed us to accomplish our parish's mission of sharing the preaching, teaching, and healing of Christ. We will complete all of the major projects associated parish's Capital Campaign, *Cultivating Our Future*, by the end of this year. We will be restarting and growing the ministries offered by the parish. We will work to keep our commitment to our local community strong as we continue to come out of the pandemic. These opportunities would not have happened without the Foundation's continued support. Because of the generosity to the Foundation during the pandemic, our parish will have more support to draw upon when unexpected challenges come our way and when we need focus on the great opportunities that are placed before us.

I want to end with an invitation. Next year our parish will be celebrating our 60th anniversary. This celebration will happen throughout 2022 as we move towards our official anniversary of October 7th. Please stay tuned for all of the ways we will celebrate this amazing milestone in our parish. One small way that I am marking this special anniversary is that I am planning to donate 60 additional dollars to the Foundation. This additional support is my way of helping the parish address the challenges and opportunities that will fill the next 60 years in our parish. **Will you join me?**

Once again, thank you very much for all you do for the Foundation and parish!

May God bless you and your families abundantly in the days, weeks, and months to come!

Our Lady of Victory, pray for us.

“Legacy is an important aspect for our family. Our parents taught us how to invest for our family’s future needs. The Foundation accomplishes the same thing for the current and future needs of the parish, which is a legacy worth our investment.”

- Sharon and Monte Ehlers

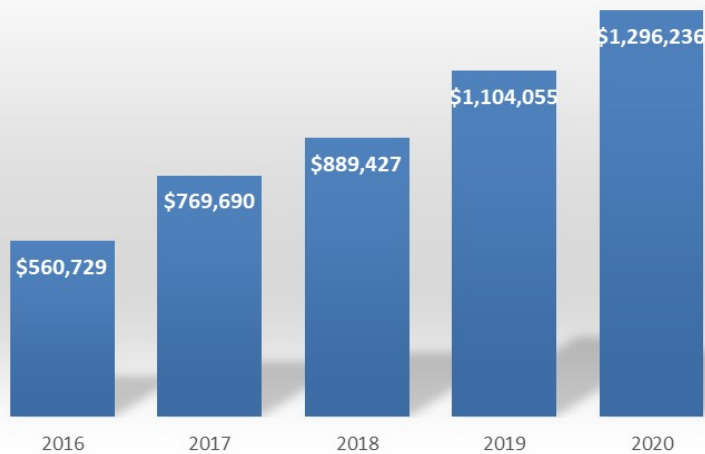

“Our Lady of Victory has been with us through our faith journey - through the highs and lows of being a modern family.

We are so happy with the support that we have received at OLV and that is why we give.

We see the Foundation as a way to support future generations, we want to make sure those parish gifts happen for others in the future.”

Spotlight on New Donor

Let us introduce you to Zayle Snell. An altar server since 4th grade, who is a JFK & 2021 Assumption graduate. Zayle informs us she first learned about the OLV Foundation when someone spoke about it at Mass. She then read about the Foundation on our website. Zayle began working during her sophomore year and made a choice to include the Foundation in her various charitable gifts due to her generous nature. She is an excellent example of how a young person contributes to her community. Zayle will attend the University of Notre Dame and major in mathematics with a minor in statistics. She hopes to pursue a post graduate degree also. We trust she is an inspiration to many others. We wish her the best and thank her for her thoughtfulness!

"I chose to donate to this foundation because I wanted to give back to my parish and this seemed like a great place to do that. I think it is important to share the gifts we are given, including sharing gifts with our parish."
- Zayle Snell

We make every effort to be accurate in reporting donor gifts received by the Foundation from January 2020 through December 2020. If we have inadvertently omitted your name, we apologize, and ask that you contact a foundation board member to update our records.

Board Member Spotlight: Roni Pianca

Our Lady of Victory is home to our family. I have been a parishioner at OLV since the beginning. My grandfather, Josef Ehrsam, was a master carpenter and he helped to build this beautiful church in the 1960's. When you attend Christmas mass I hope you will notice the manger - he was the carpenter who constructed the crèche more than 50 years ago - we have a smaller version in our family that was the "model".

My husband Rick and I were married here in 1979 by Father Martin. Both of our daughters, Rachel Gartner and Chelsey O'Donnell, received all of their sacraments here, they also graduated from JFK. This is where Rick and I have made some of our best friends and had some of our best times - we were scout leaders, coaches, officers of Home & School, served on various church and school boards, and with a wild, crazy idea we even helped to start the Gala. We really put those teachers, administrators, and priests to work in the very beginning - they were our bartenders, cheerleaders, promoters, and social committee.

From JFK the girls went to Assumption High School. During their busy four years of classes and activities, they were both very fortunate to meet their future husbands, who also attended AHS. We now have an awesome extended family thanks to the people we have met along the way. Rachel and Brian were married at St. Anthony's by Father Apo, who was at OLV and JFK when Rachel was a student and has become a wonderful friend to our family. Chelsey and John were married at OLV in 2017 by Father Jake, who has also since become a great friend to our family.

When I was asked to serve on the OLV Foundation several years ago by Jamie Loftus I was honored. The Foundation is a wonderful avenue to provide for the ongoing needs of the parish. It was a tremendous achievement to meet that first \$1,000,000 goal recently, and to provide \$75,000 back to the parish this year! These funds provide an endowment to be enjoyed now and in the future.

Rick and I always thought it was important to plan for the future. Little did we know ours would be cut short by a worldwide pandemic known as the coronavirus - COVID-19. As I reflect on our time at OLV and JFK, as well as Assumption High School, I realize these are some of our best memories filled with really fun times. We have made great friends over the years and we are proud to be part of the "foundation" at OLV and JFK. When Rick passed on November 11th I knew that he would want that legacy to continue. Honoring the OLV Foundation with memorials or a bequest in your will is one way that you can also "pay it forward".

I hope that you will spread the word and continue helping us lay the *foundation* for the next generation of OLV and JFK families.

This is a great place to call home!

July Check Presentation: Meet our newest Board Members Denny Prior and Jennifer VanGenderen as they present the 2021 disbursement check to Father Jake for \$75,000!

Our Lady of Victory Foundation's contribution to the parish is based on our fiscal year end Endowment Balance, on December 31, 2020. This year's contribution is an increase of \$20,000 over last year due to your faithful gifts, the Foundation's continued good stewardship of those gifts, and the blessings God has shown us.

The \$75,000 is divided proportionally to the gifts given toward General Parish Education Fund, JFK Catholic School Staff Fund, JFK Catholic School Scholarship Fund, JFK Catholic School Facility Fund, Our Lady of Victory Facility Fund, and OLV Unspecified Fund.

The OLV Unspecified Fund is the largest portion and we are pleased that this years' gift back to the parish for the OLV Unspecified Fund will again be used in unison with the Cultivating our Future Campaign funds to complete the HVAC project. The project is taking shape at the school this summer and will be a continued asset to our Parish and School community for many years.
