Creating Tomorrow's Parish Today

Building a Strong Foundation

July 2022

On behalf of the members of the Our Lady of Victory Foundation Board, I want to thank everyone for your generous support over the last twelve months. As you will see inside this annual report, we had another amazing year, which is allowing the Foundation to make another record donation in order to support the mission of the parish. The members of the Our Lady of Victory Foundation Board are truly humbled by your generosity and amazing discipleship, and we could not be prouder of our parish and the wider community that supports this Foundation.

Fr. Jake Greiner

We have now kicked off the celebration of our parish's 60th Anniversary. I hope that you can join me in the many activities planned through the coming months here in the parish. These various events will enable us to celebrate our past and to build up our parish community as we look towards the future. To those who are not members of OLV, please check our parish website, www.olvjfk.com, for more details on these events and how you can participate. Members of the parish will continue to hear about the different events as they come up over the next several months.

One way that I am honoring this special anniversary of the parish is that I am planning to donate \$60 in addition to my normal annual gift to the Foundation. This additional support is one way of helping the parish address the challenges and opportunities that will fill the next 60 years in our parish. To those who have already made a donation, thank you very much, and for those who are considering such a gift, please know that the Foundation will be recognizing these additional gifts in next year's annual report. Please just make a note of this additional donation, and it will be recorded. Thank you!

There is once again a tremendous amount of uncertainty about the future. As the list of events and realities that cause uncertainty grows, please know that our God is truly faithful, and his mercy and love will guide us through whatever might come our way. Our Lord and Savior, Jesus Christ, especially through the Eucharist we celebrate, meets us in our needs and allows us to draw grace and strength from Him. The last 60 years of OLV has proven this reality over and over again. Our community, despite the challenges that have come throughout our history, continues to share the preaching, teaching, and healing of Jesus Christ. Furthermore, our community's continued action is truly a sign of hope. As St. Paul tells us in his letter to the Philippians, "I have the strength for everything through him who empowers me" (Phil 4:13). Jesus Christ has blessed our parish through people like you, and I have no doubt that blessings will continue to come in the future. It is my fervent prayer that OLV can be a source of strength and hope for you and your family as well. If there is anything you or your family needs from the parish or the Foundation, please do not hesitate to reach out.

May God bless you and your family abundantly in the days, weeks, and months to come! Our Lady of Victory, pray for us.

"We started giving to the Foundation regularly, with the start of the \$300 Club. We decided to join the \$300 Club as we thought this was a way to give back to the parish for some of what we receive from the parish. Prior to the \$300 Club we had given memorials for deceased members of the parish and special occasions, but not on a regular basis.

When the Legacy Club began, we decided to challenge ourselves each year, for five years, to give at a higher level and have found this to be rewarding. We are pleased to see the Foundation is now giving a significant amount of money to the parish each year."

- Charlie & Rita Jones

“We are charter members of OLV and have had 6 children & 3 grandchildren educated at JFK.

When the OLV Foundation was first imagined we thought it was a good idea because we felt that it could help benefit OLV’s future financial stability. Monthly contributions of many people over many years could & did produce a substantial sum so that some earnings could be helpful in maintaining the parish & school.

We would encourage all members of OLV to consider joining this endeavor to help grow the principal.”

We make every effort to be accurate in reporting donor gifts received by the Foundation from January 2021 through December 2021.

If we have inadvertently omitted your name, we apologize, and ask that you contact the Foundation Treasurer to update our records.

When asked why the Clarkes are excited to financially support the OLV Foundation, I thought of the gospel we heard this Lent where Jesus tells two disciples to go ahead of Him and secure a donkey for Him to enter Jerusalem. In Luke 19:30 Jesus says, "If anyone asks you, 'Why are you untying it?' you shall say, 'The Lord has need of it.' ""

OLV and it's ministries helped lead me back to God's loving arms and they have supported my wife and children's perpetual conversion. During the darkest days of my family's life when we lost our son, OLV, its ministries, and its parishioners comforted us and truly acted as Jesus' hands and feet in our lives. Just like the love we receive from God, I would say we can't repay a perfect gift like that, but we can participate in His beautiful "Loop of Grace" by supporting this Foundation, OLV Church and our beautiful Catholic faith to help ensure this kind of gift is ongoing.

So why support the OLV Foundation and untie ourselves from our treasure?

Because ... "The Lord has need of it!"

God Bless - The Clarkes

Board Member Spotlight: Sally Crino

As I conclude my 9th year of service on the OLV Foundation Board, I am grateful for the opportunity to have served the parish I have called home since moving to Davenport in 1997. I am originally from Portland, Oregon, but my family and I moved to Iowa in 1990. I am a convert to the Catholic faith. My daughters, Emma and Mandy were ages 3 and 4 at the time we moved to the Mid-West. We originally settled in Muscatine and my daughters attended Bishop Hayes Catholic school - we were members of the St. Mathias parish. We moved to Davenport in the summer of 1997, because I wanted to continue to send my children to Catholic school, and this was not possible in Muscatine, as the school did not offer education beyond 5th grade at that time. My daughters attended JFK and continued their education at Assumption High School before completing their education at St. Ambrose University.

I was fortunate to serve on the foundation's board when we launched the fundraising campaign for the foundation. My professional background in fundraising and campaign creation and execution (I was the Associate Vice President for Advancement and Campaign Director at St. Ambrose, where I served for 23 years) were instrumental in the foundation's successful launch and conclusion of the campaign. I was blessed to share my talents and abilities at this unique time for the foundation and to work with dedicated fellow board members to ensure our collective success. The foundation plays an integral role in sustaining our parish by growing the endowment to ensure the long-term financial well-being of OLV. I encourage all parishioners to consider joining the foundation by making a donation to our endowment - it is a worthy investment into the future!

Having recently retired from St. Ambrose University, I am grateful that God led our family to the OLV Parish, where we have formed lifelong friendships with fellow parishioners and our faith community.

I am enjoying retirement and the extra time for my hobbies, including travel and gardening, my family and my grandchildren.

In 2021, we received \$235 from Amazon Smiles and \$1,155 from Victory Vouchers. This was all made possible by parishioners designating the OLV Foundation as their charity when they did their shopping.

Endowment Value

What is an Endowment?

An endowment is like a savings account. When a donor makes an endowed gift to the Foundation, the Foundation agrees not to spend the principal value of their gift and instead holds it in perpetuity. The gift is invested and only the earnings from the fund can be spent by the Foundation.

DISBURSEMENTS TO PARISH & SCHOOL

July Check Presentation: Outgoing Board Member Sally Crino and long time Board Member Mike Lazio present the 2022 disbursement check to Father Jake for \$80,000!

Our Lady of Victory Foundation's contribution to the parish is based on our fiscal year end Endowment Balance, on December 31, 2021. This year's contribution is a new record due to your faithful gifts, the Foundation's continued good stewardship of those gifts, and the blessings God has shown us.

The \$80,000 is divided proportionally to the gifts given toward General Parish Education Fund, JFK Catholic School Staff Fund, JFK Catholic School Scholarship Fund, JFK Catholic School Facility Fund, Our Lady of Victory Facility Fund, and OLV Unspecified Fund.

The OLV Unspecified Fund is the largest portion and we are pleased that this year's gift back to the parish from this fund will again be used in unison with the Cultivating our Future Campaign to complete the parking lot maintenance that includes replacing sidewalks and restriping.
