"The gift you have received, give as a gift."

Matthew 10:8

These are the words of Jesus as he was about to send his disciples on mission to the towns and villages of Galilee. They were to be generous and uninhibited in sharing themselves with those they would meet, precisely because God had been so generous in sharing his love with them.

Stewardship is our response to Jesus' message. A Christian steward shares knowing that it's not how much we have, but what we do with what we have that is important. By sharing our time, talent, and resources, we actively participate in the mission of building God's kingdom here on earth.

The Stewardship Committee is pleased to present this *Handbook* of *Ministries & Organizations* outlining the opportunities available in our parish. I hope it will be utilized in two ways. First, as a general guide to the ministries and activities celebrated here. Second, as a tool for those who are looking for ways to engage in parish life and give back to God.

I am very pleased by the effort put forth by the volunteers of each and every organization. The Committee joins me in asking all members of Our Lady of Victory to become involved in stewardship. We ask that you give of your time—attend Mass, receive the sacraments, and pray for this community. We ask that you share your talents—the special gifts that God has given to you. We invite you to use this booklet to reflect upon your particular gifts and how they may be used.

Together we can accomplish much. Please pray for one another that we may have the grace to know how God is calling each of us, and the courage to trust that we will be blessed in our giving.

Yours in Christ, Fr. Patrick Hilgendorf, Pastor

When St. Paul writes about the Body of Christ, his main point is that every baptized person has a special role to play in the local Christian community. This means, without your personal involvement, our parish is not complete. The term "talent" is understood symbolically. That is, you don't have to be an artist or musician to be talented. Rather, in a stewardship context, talent is your personal capacity to get involved. Please prayerfully consider how you can make a difference in our parish with your gifts of presence and involvement.
