

Dear students and parents/guardians,

Starting this week, students will have required lessons that need to be completed. Many of these required lessons will be from student workbooks that they now have at home. We will have you send in a picture of one page from the lesson so we can record student progress. If you see \*\* next to a lesson, it is required - all other lessons are optional.

Times are also listed in the template below when we will be available through a Zoom meeting, if students want to connect with us "live."

We look forward to continuing to work with you.

Miss Epping and Mrs.Youngerman
