

Dear Parents,

We made it through the first week with Seesaw! It was a bit stressful at times but I enjoyed the involvement from the kids. Thank you for all your help getting your child set up onto their account.

All lessons will be released EACH DAY at 6:00 AM Monday-Friday.

We strongly encourage you to complete each days activities as they come in. This does NOT mean complete them at at once, but simply complete Mondays lessons on Monday, Tuesdays lessons on Tuesday, etc. There are NO actual due dates at this time, BUT you don't want to wait until the last minute to complete everything. There are anywhere from 5-6 activities each day and those will add up quickly if you wait. IF you are having trouble with anything let me know and I will do what I can to help.

This week's Zoom Meetings are Scheduled for;

Tuesday, April 21st @ 3:30

Thursday, April 23rd @ 3:30

Parent Zoom Thursday, April 23rd 6:00 pm

Below you will find the link for the ZOOM meeting schedule. This is for your reference to try and keep each zoom meeting organized for you, it is a working link so we will update it as necessary.

This link is for multiple grade levels, click on the K grade level at the bottom for our zoom meetings.

I will respond to emails as they come in. Please don't hesitate to contact me through email with any questions or concerns. If you/your child need a private Zoom Meeting we can also schedule a time to do that as needed.

Thanks,

Mrs. Motto

The student book activity-I want to apologize if the directions did not make sense. This will be an activity that I will continue doing each week and I want to make sure that the directions are

clear. I want to explain how this is done in our classroom and how I am trying to recreate that remotely. We read two different short stories out of the student books each week. We break the story down by page and each page is read three different times (I know it seems repetitive, but it is good for them!) The first time, I read the page to the students. The second time it is read they read with me and the third time they read it by themselves. We call it I do, we do, you do. To do this remotely, I have uploaded each page of the short story in Seesaw. I read the page first, during this time I just want your student to listen. The second time through I will read it AND I want your student to read it. Then I want you to pause the video and have your child read it to you. They do not need to record themselves when they read it this time. Continue this pattern for the entire story. In the activity section I have uploaded a picture of one of the pages from the story; this is the page that your student should record themselves reading. I hope that makes things more clear, and I apologize for any confusion.

Below is the information needed to log onto Seesaw.

1. Go to <https://app.seesaw.me> on a computer. Or install the Seesaw Class App on an iOS or Android device.
2. Choose "I'm a Student".
3. Type in the Home Learning Code sent by your teacher to access your Seesaw account.

And remember, this code is like a password. Keep it safe.

To access the MobyMax website

Go to [www.mobymax.com/signin](http://www.mobymax.com/signin)

Enter School Code ia83 and click Go.

Enter your child's username and password.

Click Sign In.

If you need your username/passwords for MobyMax or for any of our online textbooks, please contact your homeroom teacher.
