ATTENDANCE:

As we roll out our new “REQUIRED” learning process student attendance is expected. Here’s what a typical DAY would look like for your 4th grade learner.

- Religion - 10-15 Minutes (Not REQUIRED, NOT Graded, and not included in total minutes)
- ELA - 30 Minutes (REQUIRED and GRADED)
- Reading Independent or Read Aloud - 30 Minutes (REQUIRED)
- Math - 30 Minutes (REQUIRED and GRADED)
- Science - 30 Minutes 2or 3 days per week (REQUIRED and GRADED)
- Social Studies - 30 Minutes 2or 3 days per week (REQUIRED and GRADED)
- TOTAL of 120 minutes each day!

When you choose to have your child complete these activities is up to you and what works best for your family and the availability of computers/iPads etc. You can have them do these assignments in small chunks throughout the day or you can have them work on all assignments at once. Whatever works best for you! All assignments should be concluded by Sunday of the previous week because the next week’s assignments will go out on Monday. This is just a recommendation so they do not get behind.

Specials teachers (Art, Music, Band, P.E., and Mrs. Wolf for Social-Emotional Learning) will also be posting their weekly information and Zoom times on their web pages. These can be accessed by clicking on the teacher’s name on the front of the OLV/JFK website.

One of the things that makes the JFK Difference, of course, is Religion. Students are asked to spend at least 10 minutes practicing their faith each day. Although students will not be “graded” these activities will help students grow as disciples and in their relationship with Christ.
