

Dear Parents,

I hope that your week has gone well and that your children have found time to just be kids and PLAY, as we all know that children learn best through play. There are tons of activities for outdoor play online, but sometimes it's best to just let them use their imaginations! Sidewalk chalk and playdough are still favs at my house and my kids are much older. Plus as an added bonus it helps with any stress they may be feeling with everything that is going on. I am hopeful that the weather continues to stay nice so that we can do a lot more outside activities!

I wanted to give a list of important information and reminders for the next week.

- Math Enrichment activities are added to Seesaw every SUNDAY night at 11:59pm
 - The activities will show up first thing Monday morning along with your “Required” lessons.
 - Enrichment activities are NOT REQUIRED.
 - If you want it removed from your journal feed you will need to send me a note stating you wish to not complete them and I will approve it to make it disappear.
 - Otherwise if it doesn't bother you having them on your journal feed or if you wish to do them at a different time, just leave them alone and submit as you complete them. AGAIN MATH ENRICHMENT IS NOT REQUIRED

- The first religion lesson this week review Easter, it is the last session in our Religion books. I will then start supplementing different activities such as,
 - May Crowning of Mary
 - Praying
 - Hail Mary
 - Glory Be
 - Our Father
 - Praying the Rosary
 - Etc.

- Parent Zoom Meetings are NOT required by any means but it is a really good way for us to connect as adults and address any issues that you may be having. Please remember that Mrs. Putnam and myself are learning along with you and your children on how to use Seesaw so any information that you can share with us is greatly appreciated.

If you have any questions, please send me an email and I will help address any of your concerns.

If you need anything at all please contact me and I am happy to help. Keep doing what you are doing. It's been a great transition from “Voluntary” to “Required, Assessed, and Graded” We can do this, 5 more weeks to go! :)

Mrs. Motto

Below you will find the links for how to log onto Seesaw, Mobymax, and the Zoom Meetings for the week. If you are having trouble accessing any of these please let me know and I will see what I can do to help.

Thanks for all you are doing to help this time pass for your students! I hope and pray everyone is healthy and able to enjoy some of the nice weather outside.
