### Tuition Assistance

- 75%-85% of families who apply for financial assistance typically receive assistance
- A family's "financial need" is determined through a formula that considers the family's total Catholic school education bill, family size, gross and net incomes, and other factors.
- All families are encouraged to apply for assistance. You may be surprised. The application process is available through our website: [www.olvjfk.com](http://www.olvjfk.com), "For Parents," "Policies and Forms," "Family Tuition Plan Application"
